06 We have never discussed about people from Austria.

06 Because we had no idea how to contact them.

06 Yes, and also, because this was supposed to be a small meeting.

06 Now it's smaller than small.

06 Yes.

06 There is a possibility to have a representative of the Austria Centra
06 organizations of Trade Unions. I have friends from Austria and I think

..... 06 06 and exchange several comments--ca

0554

06 leaves for Parliament.

06 ... (something about Hungary, DDR)... Why do you resist every idea I

06 No, but this has to be agreed upon if they send you. I have never ev
06 imagined that somebody would be available from Austria.

0572

06 For instance, here you mention HAROLD (or Hal or Al???) GIBBONS (ph),

..... 06 International Teamsters-- As far as I know, this is JIM HOFFA's trade union.

06 JIM?

06 A real gangster trade union.

06 I don't think so.

06 Well, it is. Haven't you seen that film 'On the Waterfront'? It's mi
06 up with the Mafia.

06 No, they are very decent people.

06 Perhaps this HAROLD GIBBONS (ph)--although I think I've seen that name
06 somewhere and not on our side--because this is the most gangsteric trade unio
06 in the U.S.

06 06 I like gangsters. (Back and forth on this. Then on a more serious le
06 getting fed up with hearing that [] wants a [] trade unionist to
06 send out personal invitations to this Prep Meeting.)

0618

06 CURTIS MCLEAN.

06 Well, anybody from the ILWU (International Longshoremen's and Warehous
06 Union, although your Big BORIS (AVERYANOV) didn't believe for a minute that
06 somebody from there would come.

06 06 But here CURTIS MCLEAN, did he participate in the Sixth Conference?

06 Yes.

06 Why didn't he come for the special?

0629

06 Because your Big BORIS said that this is exactly the trade union--their
06 people--who are building the ships for Vietnam and if the war stops they will
06 be unemployed and therefore in the last period said nothing about Indochina.
